## Notas (Notes)

\* LMR não determinado em função da modalidade de uso  
(MRL not determined according to the type of use)

\*\* Produtos de ocorrência natural  
(Naturally occurring products)

\*\*\* Produto biológico  
(Biological product)

IST Isento  
(Exempt)

## Notas (Notes)

N/C

Ativo não tem registro para qualquer cultura no país  
*(Active has no record for any culture in the parents)*

N/E

Ativo tem autorização para uso no País, mas não tem LMR  
fixado para frutas cítricas  
*(Active ingredient is authorized for use in the country, but not  
has MRLs set for citrus fruits)*
